F. No.4 (14) /2022-PD-PRU/NEECA

Islamabad, the 11th May, 2023

SUBJECT: **1ST NATIONAL ENERGY EFFICIENCY AND CONSERVATION
(EE&C) ARTS AND MOBILE APP COMPETITION**

National Energy Efficiency and Conservation Authority (NEECA) in the light of NEEC Act 2016 is mandated for all the energy efficiency & conservation (EE&C) measures in Pakistan. NEECA with the support of Federal and Provincial Governments must *“take all measures necessary to create awareness and disseminate information for efficient use of energy and its conservation”* as mentioned in section 10 sub clause (t) of the NEECA Act 2016.

2. In this reference, NEECA has launched the First National Energy Efficiency and Conservation (EE&C) Arts and Mobile App Competition to create awareness and to promote a culture of energy conservation. This competition is designed to encourage and motivate the students to come forward with EE&C ideas. The students, scholars and professionals are invited to participate in the EE&C competition in following categories:

- **Writing Competition**
- **Video Competition**
- **Arts Competition**
- **Mobile App Development Competition**

3. The competition is open to college and university level students to come up with an idea to conserve the energy. The deadline for submission is 26th May 2023 (for Category 1-3) and 15th June 2023 (for Category 4). Winners will be selected based on creativity, innovation, impact, and feasibility of their submissions. The submissions will be evaluated by the evaluation committees for each category. The winners will be announced by 23rd June 2023. The details about EE&C competitions are available at www.neeca.gov.pk and the flyer for circulation is enclosed to this letter.

4. You are requested to disseminate the information about the EE&C competition to all the relevant stakeholders specially schools, colleges in the province/region.

Dr. Sardar Mohazzam
Managing Director- NEECA
